

# How do I even start?!

If you want to talk to someone you don't know at all...

1	2	3	4	5
make eye contact 	smile 	say hello 	say your name 	ask a question or make a comment 

When the person you want to talk to stops, you stop too.

If you want to talk to someone you know a little...

1	2	3	4	5
say hello 	reintroduce-remember me? 	ask a question or make a comment 	ask a question or make a comment AGAIN! 	end on something happy
